Skills

Languages

Currently pursuing a Bachelor's degree in Computer Engineering, I am passionate about programming and technology. I possess a strong foundation in coding languages including Python, JavaScript, HTML, CSS, C programming, and Java. My skills are ready to be contributed to innovative projects. Through coursework and personal projects, I have refined my problem-solving abilities and developed a collaborative mindset. I am excited to connect with fellow tech enthusiasts and professionals as I continue to learn and grow in the ever-evolving world of computer engineering.
